Ten families celebrated the completion of their MSH homes with an Open House. Group 47 built their homes in Elk Ridge Meadows Subdivision in Elk Ridge and in Morley Meadows Subdivision in Santaquin. These ten families worked together for approximately 11 months, each family working an average total hours of 1,837, to build the beautiful homes in their group. The Open House was held on December 13, 2016, just in time to spend the holidays in their new homes. Congratulations!

If a Past Participant refers someone to the MSH Program and that referral closes on their 502 Loan, we will pay the Past Participant $50 for their referral.

Thank you, Central Bank, for supporting affordable housing!
Amber Anderson is building her Self-Help home with Group 49 in the Cowan Corner Subdivision in Payson. She grew up in Pleasant Grove and currently lives in Saratoga Springs. She is the middle child of three children. She has an older brother that built his home in Payson through the MSH Program about five years ago and a younger brother that lives in Texas. She has three nieces and two nephews.

Amber went to massage therapy school and did massage for awhile. She currently works for Revere Health as a Medical Coder.

Amber plays the harp and the piano. Her birthday falls on Halloween and she has a collection of witch dolls, as she gets a new one every year. She loves superheroes like Captain America, Batman, Superman, etc. and fantasy like Harry Potter and Lord of the Rings. She went skydiving two years ago. She likes hiking, camping, swimming, etc.

Her experience has been enjoyable, so far, despite the cold, crazy weather. She is learning a lot and enjoys working with everyone in her group.

Last Elk Ridge Meadows Group Celebrates at Rainy Open House

Come rain or shine, Group 48 was determined to celebrate the completion of the ten homes in their group. Despite the rainy weather, they opened their beautiful homes for others to walk through to see their hard work. Special thanks to BMC for providing a BBQ lunch for all that attended. A drawing was held for a gift card to Home Depot, provided by Wells Fargo, to award one of the deserving families. Congratulations to these ten families!
Partners Continue to Support the Mutual Self-Help Program

Thank you for your donations and support of the Mutual Self-Help Program. It is appreciated by many!

WHERE IS SHH BUILDING NOW?

Group 49—Payson

Construction began the end of December 2016 for Group 49. The eight families in this group are working hard to complete their homes. SHH is planning to start the second group of five families this Spring to finish off Cowan Corner Subdivision.

Group 50—La Verkin / Toquerville

The six families in Group 50 are moving quickly to get their homes completed. If you are interested in building in Washington County, we are currently gathering families for the next group.

Group 51—Heber

The development of Wasatch Vista Subdivision Phase I is complete. The first group of eleven families have closed on their 502 loans and the footings and foundations for their homes are currently going in.

COMING SOON

Lots in Kanab & Hurricane

Contact us if you are interested in these areas.
Wells Fargo Employees Volunteer Time to Help Group 49 in Payson

Thanks to the Wells Fargo Employee Volunteers that came out on Thursday, March 2, 2017, to help Group 49 in Payson. The volunteers helped the families in the group install floor joists on one of the houses. Thanks so much!

SHH Hires Jeremy Phelps as New Construction Supervisor

Jeremy grew up in Spanish Fork, Utah. He and his wife Cassie were married in 2013 and they have one son named Roy. They love camping and spending time outdoors. They built with Self-Help Homes in 2012-2013 in Heber and they love the Heber Valley!
